Patna. July 11. The Hon'ble Health Minister of Bihar Shree Mangal Pandey graced the highly-visited stall put up by Asian Development Research Institute (ADRI) today at the 2-day Health Fair that has been brought into fruition by the Health Department of Bihar to celebrate "Arogya Parv" or "Festival of Wellness." While lauding ADRI for having done some very commendable work, he reminisced about the dynamism of its founder and guiding force – the Late Dr. Shaibal Gupta. He stated that ADRI has had a very old and multi-faceted relationship with Bihar's public and its government and hoped that it will continue to thrive in future. He also wanted to know about the various programs currently being run by ADRI. Dr. Suraj Shankar, Satyendra Kumar, Rachna Mishra, Danish Razdan, Gulshan Patel, Sanjeev Kumar, and Sanjay Mishra of ADRI led the Honorable Minister around the stall.
