

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

ASIAN DEVELOPMENT RESEARCH INSTITUTE

Opinion

We have audited the financial statements of ASIAN DEVELOPMENT RESEARCH INSTITUTE (the entity), which comprise the Balance Sheet as at 31st March 2021, and the Income and Expenditure Account and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the entity as at 31st March 2021 and of its financial performance and its cash flows for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but

is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES

To the Financial Statements for the year ended 31st March, 2021

1. General Information

ASIAN DEVELOPMENT RESEARCH INSTITUTE is a charitable society domiciled in India, registered on 6th of March 1991 under Societies Registration Act 21, 1860. It is a not-for-profit civil society organization, dedicated to research in social science. The motivation for starting yet another institute in Patna, Bihar was not merely to expand social science research, but to emphasize some dimensions of it which were thought to be critical but had received rather limited attention. The broad objectives of ADRI are to undertake academic research of direct relevance to development efforts made by an individual or a group or the community itself, to broaden the database of research as also of its end use by involving as many classes of persons and institutions as possible, to offer research results in a more innovative, demystified and use worthy form; and finally to restore woman/man to her/his central position in social research in totality and with full dignity.

2. Significant Accounting Policies

a. Basis of Accounting

The financial statements are prepared under the historical cost convention, on accrual basis, applying accounting policies consistent with those applied in the previous year. All known liabilities are taken into accounts and duly provided for.

b. Fixed Assets

Assets acquired out of recurring grants from funding agencies are charged off to revenue wherever their terms of sanction so require. All other fixed assets, including books and periodicals purchased for the purpose of the library, are accounted for at cost including taxes, freight and other expenses essential and incidental to bringing them to a state fit for their intended use.

c. Depreciation on Fixed Assets

Depreciation is charged on written down value method at rates prescribed under the Income Tax Rules, 1962.

d. Revenue Recognition

Income and expenditure, in general, are accounted for on accrual basis, except membership fee which is accounted for as and when received. Income other than grants is recognised when it can be reliably measured and it is reasonably certain that the related economic

NOTES

To the Financial Statements for the year ended 31st March, 2021

benefits will flow to the Institute. Interest on deposits earmarked against specific fund balances are credited to the respective fund account.

e. Grants

- Grants-in-aid in general are recognised when it can be reasonably assessed that the terms attached to the Grant will be complied with and ultimate realisation of the same are not in doubt.
- Revenue Grants are recognised on the basis of sanctions by the funding agencies as reduced by unutilised amounts thereout.
- Capital Grants against specific assets/works are retained as Deferred Revenue Reserve and amortised in proportion to the specific asset acquired/created thereout.
- Income, if any and to the extent clearly identifiable, earned out of funds received as Grant, including interest on bank deposits is either treated part of the Grant and utilised accordingly or retained as Incidental Funds till further instructions from the funding agency regarding refund or utilisation of the same for purposes for which the Grant is sanctioned.

f. Leases (where the Institute is a lessee)

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the leased term, are treated as operating leases. Operating lease payments are recognised as expenses and charged to revenue.

g. Employee Benefits

Employees' and the Institute's contributions to provident fund are deposited with the Provident Fund Organisation on a month-to-month basis and the Institute's contributions are recognised as expenses. The Institute also subscribes to a Group Gratuity Policy with Life Insurance Corporation of India and annual contributions thereto are recognised as expense.

h. Taxation.

No tax, either current or deferred, is provided for on the income of the Institute as the same is exempt from tax by virtue of its registration as a charitable institution under section 12AA of the Income-tax Act, 1961.
